

## PAUL COLEMAN MEMORIAL RIDE

To Whom It May Concern:

The Paul Coleman Memorial Ride is intended to raise money to help pay for drivers education for teenagers. Many teenagers and parents are unable to pay the \$300 to \$400 dollars to enroll in the state mandatory drivers education classes. Our teen drivers *need* this class. After loosing our son to a car crash where his teenage friend was not an experienced or educated driver, we want to do our part to keep this from happening to your family and friends.

Most teenagers are not aware of the restrictions and regulations concerning their driving privileges. We need to educate our teenagers to be more aware of the consequences and help them understand the 'privileges' and 'obligations' that they are given when they obtain a drivers license.

We are raising money to help save the lives of other young drivers, raise awareness of safe driving, and promoting the importance of respect for others on the road.

We are asking for sponsors to help us with our 'drive'. Corporate or Individual donations are accepted. All amounts are welcomed and appreciated. All sponsorships/donations over \$250 will have their name and logo printed on the ride T-Shirts.

Please Remit Sponsorships/Donations To:

Paul Coleman Memorial Fund  
P.O. Box 2056  
Buford, GA 30515

As parents we "Thank You", and the teenagers that will benefit from your kind donations "Thank You" also.

Ronna & Jay Coleman  
(Parents of Paul Coleman)
